Check out our Pet Health Plan

Our Pet Health Plan is the simple way to support your pet's health while saving money.

Your pet will need routine treatments and vaccinations throughout their life, and our plan gives the peace of mind that comes from knowing that care is covered.

We offer our Pet Health Plan for your cats, dogs and rabbits, breaking down the costs of routine veterinary services to a monthly direct debit, and giving your pet its vaccinations, parasite prevention and regular checks throughout the year.
